CANADIAN NATIONAL

What if there isn't a daily delivery of pure, safe, pasteurized milk? What if you have no ice? You can still enjoy an abundance of fresh, sweet dairy milk if you have a few tins of Klim handy. Klim is a whole MILK, all milk and nothing but milk. The cream is there, the nutriment is there, the delicious fresh milk flavour is there. Only the water has been removed. Replace it, and you have pasteurized milk for cooking, for tea, coffee, cocoa or cereals; milk that the youngsters will love to drink. And you mix it just as you need it. There's no waste with Klim. Send ten cents for a trial can and taste its goodness for yourself.
