Mrs. Fred T. Kinsapp, R.R. No. 1, St. Agatha, Ont., writes:—"My two children were coughing day and night, from a very severe, whooping cough. I tried every kind of medicine I could think of, but they got no relief. A friend told me I should try Dr. Wood's Norway Pine Syrup. I got two bottles of it, and before they were used the children were rid of their coughs. It is a very good medicine, and I would not be without a bottle in the house."

**BLOOD AND SKIN TROUBLES**

Nearly everybody is subject to some form or other of blood or skin troubles, especially in the Spring. And it's all so unnecessary. A course of Tru-Blood cleanses the blood stream, and removes the poisons that cause these troubles. Where eruptions have appeared use Buckley's Ointment along with Tru-Blood. This is a combination that can't be beat. At your druggist's.
