PRINCE RUPERT GETS \$25,000 FOR HOUSING

Total Grant Allotted by Provincial Government Now Amounts to \$100,000.

Prince Rupert gets another \$25,000 for soldier housing purposes from the Dominion fund. This has been allotted under instructions from T. D. Pattullo, member for this district and minister of lands. At the City Council meeting last night a letter from the superintendent of the B. C. Soldiers' Settlement Board was read, in which he explained that he had been instructed by the minister to apportion the \$25,000 to this place and he further said that if the money was available later, another \$25,000 might be allotted.

This allotment of \$25,000 to this city brings the total amount for this district up to \$100,000, whereas if Prince Rupert got her share proportioned to her population instead of her needs she would have received only \$18,000. The new grant will enable another eight or nine houses to be built here for soldiers.

ENGINEER'S SALARY

At the meeting of the City Council last night the salary of the city engineer was advanced to \$250 a month, commencing January 1. Alderman Perry Voted against the increase.

GIRL SHOT MOOSE NEAR EDMONTON ON GRAND TRUNK LINE

(Special via G. T. P. Telegraphs.)

EDMONTON, Dec. 16.—All the city is talking of the shooting of a fine moose by Miss Stapley, a local girl, at McKay, 100 miles west of here. She brought the big animal down when on a hunting trip five miles from her father's mill.

The moose weighs over 1,400 lbs., has nine antlers with a spread of four feet. When the game was sighted the animals took flight. Of the three moose the biggest was brought down by the rifle of the young sports-woman.

The Salmon River Mining Co., with a capitalization of \$50,000 has been incorporated, with headquarters in Victoria.

The city engineer was instructed by the City Council at their meeting last night to report on the possibility of a walk connecting 11th Ave. with 8th near the school.

The "Ultona" is complete, requiring nothing beyond a mere turn of the hand for perfect adjustment of weight and needle to the make of record it is desired to play. 2. The all-wood tone chamber—built like a violin. Absolute freedom from tin or cast iron means pure, full tone without metallic or nasal harshness. The Brunswick is the only phonograph which plays all records as they should be played. —and that's why we say JUST YOU HEAR THE BRUNSWICK Play ALL Records CORRECTLY McRae Bros., Ltd.
