FOOD MILEAGE

FUELING the household machine is an important item these days. After all, on the road of daily life, most of us have to get the last mile out of every dollar we spend.

High food mileage means careful buying . . . thoughtful selection of the foods that not only suit the tastes and physical needs of the family, but the pocketbook as well.

That's the value of advertising. Every day, here in your paper, are presented new and interesting food ideas. New ways of preparing old reliable favorites. New combinations of the foods the family needs . . . in ways they'll like.

Standard, unvarying quality is the outstanding feature of advertised merchandise in general . . . and of food products in particular. Quite a factor in getting high food mileage!

Read the food advertising here in your daily paper . . . it will show you the way to higher food mileage.

SCOUT ASS'N IS PLANNED

Lack of Assisting and Advisory Body Is Felt Here

The Boy Scouts of Prince Rupert and district have been working under a serious handicap in not having an organization of adults called a Local Association which usually assists the troops in raising funds for camps, equipment, obtaining examiners for badge examination and in general, to promote and increase Rover Scout, Boy Scout and Wolf Cub activity in this community. The Local Association would bear a similar relation to the Scout Troops as the school board does to the schools.

Through the kindness of a friend of the Boy Scouts in the city a prize will be given to the Scout or Cub who through his influences obtains the greatest number of names of adults who before January 31 would be willing to become members of a Local Association. The fee is one dollar per year and membership cards would be issued when the association is formed. Anyone who is interested in boys' work, ladies or gentlemen are invited to become members.
