

BURDOCK BLOOD BITTERS

Rheumatism So Bad Could Hardly Walk

Mrs. Wm. Knezig, R.R. No. 4, Guelph, Ont., writes:—"For years I suffered with rheumatism, and my hands and feet used to swell so, at times, I could hardly walk, and could not sleep or rest for the pain. I used different kinds of medicine, but got nothing to do me any good until a friend told me to take Burdock Blood Bitters. Now I have no more pains and the rheumatism is all gone."

The best defense against the cold is "Come buy the finest fuel that's sold."

There's only one defense against the cold weather and that's the proper kind of coal. Buy a ton of coal from us and fire away at Old Man Winter. He'll quit on the run. Order a ton of coal today and note the haste that we display.

QUESTION OF READJUSTMENT

A condition of affairs exists throughout Canada and the world which appears difficult to solve. However, there is one thing upon which all people agree, and that is that an adjustment of costs of commodities must be made. As an illustration: with the present price of wheat a readjustment in the price of bread should be considered. The same is true of other necessities of life and materials.

All of which leads up to the fact that ALBERT & McCAFFERY, LIMITED, are prepared to adjust the price of any material they have for sale. If the price of coal is lowered we will also lower our price. The prices of many building materials have been changed, and we are prepared to change our prices.

If interested in the above, call or phone 116 or 117, Albert & McCaffery Ltd. (15)
