NEW ATWATER KENT RADIOS HERE SHORTLY

Many New Features and Improvements Mark New Sets

The new 1932 Atwater Kent golden value models of radio will be on display in the showrooms of prominent Vancouver music dealers very shortly, according to Mr. Earle Henderson, sales manager of General Distributors Limited, 951 Seymour Street, British Columbia distributors of Atwater Kent.

"The new Atwater Kent range of radio will be offered this year at remarkably low prices for such a high quality instrument," stated Mr. Henderson. "For this reason they are to be known as the golden value models and will embody the very latest engineering improvements. Their many features and refinements are the result of countless experiments and tests in the famous Atwater Kent laboratories," says Mr. Henderson.

Golden values with the golden voice is the keynote of this season's program for Atwater Kent merchandising. Many new models from a low price 6-tube Compact to a 10-tube Console will be included in the complete range of this well-known radio and which will offer the public a wide selection to meet every purse and preference.

New cabinets of exceptional beauty and symmetry in design are finished in genuine No-Mar.

Automatic volume control, advanced superheterodyne circuit, Pentode and Multi-Tube are some of the additional advantages which will distinguish Atwater Kent radios this season.

Moose Band Dance Friday Evening Was a Successful Affair

An enjoyable and successful dance was held last Friday night in aid of the newly formed Moose Legion Band which has made such an impression in local musical circles. There were 150 persons present and the affair continued from 9 p.m. until 1:30 a.m. Splendid music was furnished by the Premier Orchestra and B. J. Bacon was master of ceremonies.

At midnight delicious refreshments were served. Mrs. Charles Edwards being in charge of the catering. Ray Ingram presided at the door and the committee in charge consisted of Charles Lemon, B. J. Bacon, Ray Ingram and N. S. K. Brewer.

Are Sin, Disease and Death Real?

"Are sin, disease and death real?" was the subject of the lesson-sermon in all Christian Science churches and societies on Sunday.

One of the Scriptural texts contained in the lesson-sermon was, "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23).

Following the reading of the Bible texts, passages were also read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, one passage being the following from page 231: "God is not the author of mortal disorders. Therefore we accept the conclusion that disorders have only a fabulous existence, are mortal beliefs which divine Truth and Love destroy."
