> Perhaps it was by way of testing present-day public taste concerning the music-hall as we used to know it that the Palladium management Anglers will soon be able to catch | Executive— Mrs. J. Watt. Miss put on a program which included several who used to head the bill a generation ago. Chief among the veterans to come forward was Gus Elen, whose representations of coster life used to rival those of Albert Chevalier in the favor of the public. Not a few, indeed, believed Gus Elen to be the more finished artist. Birmingham nil: Sunderland nil for Chevalier's ditties-take "My Old Dutch" for example—often had Manchester City 2; West Brom- something of the mawkish in their sentimentality. Gus Elen's coster, on the other hand, was always ro-English League-Second Division bustious. One of his songs has be-Bristol City nil; Plymouth Ar- come almost a classic. At any rate the present-day Palladium audience fairly lapped up the chorus:

> > It's a great big shame, and if she belonged to me, I'd let 'er know who's who:

And 'er only four foot two! And they 'adn't been married not a munff nor more.

When underneaff 'er fumb goes Jim, Isn't it a pity that the likes of 'er. Should put upon the likes of 'im!

#### Technique Superb

George Woodley and his brother, Gus Elen is 70 years of age, but Pilot A. G. Woodley, landed here in his technique remains as superb as Are" is the song which he made tion brought from Kamloops and They flew across the United States famous when the middle-aged of nigh chough to interfere with casting." Lost Lagoon is fed daily about secretly departed from New York on Victoria. How many years is it if not more important part than secretly departed from Roosesince we were all singing "Daddy men.

LECTURE IS Palladium program also includes an confess it. The "Bow Wow" song is heart of Stanley Park. The Stanley Father Woodley is a transport not included in Vesta Victoria's adays. But she gives us "Waiting at the Church," which seized the fancies of all the boys and girls of a generation back. Vesta Victoria in her prime was nearly the equal of the unforgettable Marie Lloyd. Dead Tree Point: Showery, calm; A comparison indeed on some occaleast brackish, seepage from the sea barometer, 30.08; temperature, 56; sions might have tipped the scale in favor of Vesta.

Another representative old-timer in the Palladium program is Harry Champion. The red-nosed comedian A Swiss railway is using a loco- who flourished a battered umbrella about mothers-in-law, about losing your clothes while bathing, and about even more delicate subjects was common enough (sometimes in double sense) in the days gone by. Harry Champion belonged to this family of popular entertainers, but unlike he general ruck of them, he Mrs. Marler has organized the always had a distinct personality, guide movement in Japan, and Whether his style of performance is finds that enthusiasm runs high in worth very much now, except as a this direction.
