The Children Catch Cold Easily

Mrs. Walter Miller, Notch Hill, B.C., writes:-"The climate here in the winter time is very changeable, and the children catch cold very easily. I have always found that a few doses of Dr. Wood's Norway Pine Syrup will relieve them at once.

I have tried many other cough remedies, but, now, I always insist on 'Dr. Wood's', as I find it the most reliable, and the children like its pleasant taste." Price 35c. a bottle; large family size 65c.; at all drug and general stores; put up only by The T. Milburn Co., Ltd., Toronto, Ont.
