"My NERVES Were Terrible"

Now Mrs. Hyland Feels Happy and Well—Owing to Dr. Williams' Pink Pills (tonic).

Feels Like "New Person".

"My nerves were terrible," writes Mrs. Alex. Hyland, Clarendon Station, Ontario. "Mother told me to take Pink Pills, so I started and I soon felt that they were helping me. Today I am happy and well, and I feel I owe it all to Dr. Williams' Pink Pills." The iron and other elements in Dr. Williams' Pink Pills (tonic) increase the amount of haemoglobin or the oxygen-carrying agent in the blood. The increased oxygen re-vitalizes your tissues, sharpening your appetite, giving you a feeling of happiness and well-being. Dr. Williams' Pink Pills are available at 50 cents a package at any druggist's. Be sure to say "Dr. Williams'" so that the druggist will know exactly what you want. 135
