THAT the wind seems to have tried its best to deflect the big sphere from its orbit.

Sport Briefs

The Vancouver Millionaires this year are said to be the strongest hockey aggregation ever got together in Vancouver. Lehman, Cook and Duncan, forwards, are expected to cause no little worry and anxiety to their rivals. Vancouver fans are very enthusiastic about this year's team and expect to take everything.

As all teams are getting into excellent shape and there are some really excellent players on them all, some good, keen contests are looked for this winter.

A thirty-three-game schedule is arranged for the Pacific Coast hockey race this winter. The announcement of the schedule was made the first of this week. The opening match will be played at Victoria on Friday, December 26, with Seattle and the closing game will also be played in Victoria between the same two teams.

Charles A. Gomiskey, owner of the Chicago Americans, says that conditions in the American League are terrible. He states that if there is not a change in the presidency of the American League or the chairmanship of the National Baseball Commission, the league might not be in existence by July next year.

Willie Ritchie, former lightweight champion of the world, is now managing Ole Anderson, the Tacoma heavyweight. Last week Anderson fought a draw with Gunboat Smith.

PRINCE GEORGE

H. G. Perry, president of the Board of Trade, and for two years mayor of Prince George, has consented to stand for mayor for this city this year. Mr. Perry was mayor of Prince George during the years 1917-1918.

Temporary headquarters for officials of the Northern Construction Co., who are to have charge of the construction of the P. G. E. from here to Quesnel, will shortly be opened in the Prince George Hotel. Mr. Clarke is superintendent of construction on the northern end of construction, while Mr. Schafer is in charge of the work in the immediate vicinity of Prince George.

A son was born to Mr. and Mrs. Holler at the Prince George Hospital on December 5.

Last Wednesday morning the thermometer dropped to 31 below zero, the coldest yet this year.

The Nechako Chapter, Imperial Daughters of the Empire, held a most successful dance in the Alexandra Hotel last Friday. The rooms were lent for the occasion by Mr. Johnson, proprietor, and music was supplied by Charles Balagno's orchestra.

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.
