# PRINCE RUPERT Likes the Best!

Prince Rupert merchants say that their customers like to buy goods of the best quality. They are a discriminating people.

If there are any Prince Rupert people not taking. the Daily News regularly we suggest that they are making a mistake in not taking the best. The price is now so low that it is a mistake to do without the paper that circulates throughout the district.

Call up the Daily News business office and ask that the boy call and collect.

#### "THE NEXT TWO WEEKS SHE GAINED 15 OUNCES"

letter from London, Ontario, that

took her to a specialist, for she was minerals—all are there. The vitamins under-weight and had gained only 2 are the same as in bottled milk, so only ountes in two weeks. He put her on a the usual supplements—orange juice formula using Carnation Milk and in and cod-liver oil—are needed.

well filled out and the correct weight, and has a very happy disposition. Her teeth, which she has cut just lately, have caused no upset in her digestion, and izing. Think of how the uniformity of common to many babies."

prescribed by the very greatest special- heaps of enthusiastic letters from ists as the ideal milk for bottle-fed mothers of Carnation babies?

Excuse me, dear reader, just a min- is in tiny particles which do not tax the ute, while I open my mail. Here's a digestion.

Besides being more digestible, Carsounds interesting. Perhaps you'd like to hear it.

"Dear Mary Blake," it begins, "I must tell you what Carnation Milk has done for my baby. At seven weeks I to hear it.

Besides being more digestible, Carnation is fully equal in nutrition to the very best of bottled milk. It is unsweetened evaporated milk—only water is taken out of pure whole milk; nothing is added. Butter-fat, carbohydrates,

the next two weeks she gained 15 ounces! Really, I wish every mother knew "She is a year old now and has had about this wonderful milk. Think of no other milk since. She is not fat, but the safety of milk that comes sterilized she has been free from the ailments so this milk prevents upsets. Think of being able to get the same milk any-That is interesting, isn't it? Did you where, if you happen to be traveling or know that Carnation Milk is now being visiting. Do you wonder that I get

babies? Well, it is—and the reason is If you'd like to know more about that it has been found to be far easier | Carnation Milk for babies please write to digest than any other form of cow's for the new Carnation booklet, "Baby Feeding Simplified." It will show you You see, Carnation is heat treated: what medical authorities say about this and that causes it to form very fine, good milk. And, if you are interested soft, flaky curds, which the baby's in novel, delicious recipes, send for the stomach can digest almost as easily as | Carnation cook book. Both are free, the curds of mother's milk. Carnation | Address Carnation Co., Limited, 134 is homogenized, too, so the butter-fat Abbott Street, Vancouver, B.C.

### USE THE SAFEGUARDED MILK

Protect your baby from diet upsets by using the milk of unchanging goodness. Guard your baby's health by using the milk that is always safe - because sterilized. The greatest babyfeeding authorities say that Carnation is just as nourishing -from the standpoint of vitamins, minerals, etc .- as the best bottled milk, besides being far easier to digest.

Milk from Canadian cows, packed in Canada in Canadian cans and cases.

"from Contented Cows"
