## UPSETS IN HOOP GAME

Three-Two Taxi Bowed to C. N. R. A. in Senior League Match Last Night

### Japs Victorious

High School Trims Taxis and Goes Into First Place

Senior League—32 Taxi, 23; C. N. R. A., 37.

Intermediate League—Taxis, 13; High School, 26.

Ladies' League—Comets, 14; Amazons, 5.

Junior League—Japanese, 12; Rovers, 16.

There was a large crowd of enthusiasts out to witness several upsets and some very fine league basketball last night. First of all, the lowly Japanese Association team of the Junior League hoisted itself a little further out of the cellar by vanquishing the Rovers. Then the High School came to life and made a good job of trimming the Taxis who now share first place with them. This should make Friday's game between Merchants and High School a great battle, as the Merchants are but one game in the rear. The Comets took the Amazons very thoroughly and showed a much superior brand of team play and shooting. Finally, in the Senior division, 32 Taxi, who established a favorable lead in the first half, later bowed to the brilliant team play and "close-in" shooting of the C. N. R.

The Senior game was fast and clean, and, from the start, it developed into a contest of two types of play, long range shooting versus team play and close shooting from under the basket. And the latter system proved the better with C. N. R. finishing strong on the happy end of a 37-23 score. The whole C. N. R. team was good with Smith, Styles and Lambie outstanding because, being forwards, their scintillating combination and shooting caught the eye. However, Morrison and Bob Stalker presented a formidable defence that the Taximen preferred to shoot over, rather than to work through and around. Ratchford's shooting in the first half was phenomenal with Gurvich, Menzies and Doug Stalker tolling hard.

32 Taxi—Gurvich (1), Mendies (3), Frizzell, Wrathall (2), Stalker (7), Ratchford (10); total, 23.

C. N. R.—Lambie (10), Morrison, Styles (13), Stalker (5), Smith (9); total, 37.

Referee, Bill Mitchell.

### Intermediate League

With the High School playing safe, aggressive ball and with Taxis finding most of their plays blocked by the High defence, the Intermediate game became decidedly lopsided, and the Students pressed hard all the way to double the

## Long and Short Shots

Big and little shots. Billy Archer, aged 3, and C. P. "Dad" Waste, aged 73, teamed up as champions in a recent Los Angeles contest and slammed the bull for a row—no end.

score to the tune of 26-13. For High, Unger was high scorer but the whole team played as a unit. Vance was on every play and with Hickey mused up most of the Taxis' scoring and quest after rebounds. It would be wrong to single out individual effort, however, as the boys were all definitely "on." In the Taxis camp, things were different and the boys were all decidedly "off," lacking their usual snap and good marksmanship. Led by Nakamoto and Morrison, they all played hard, but things just didn't seem to break right.

Taxis—Nakamoto (4), J. Morrison (3), Thurber (5), Smith (1), Allen, Moxley, Hanson; total, 13.

High School—Walters (3), Unger (14), Vance (1), Tobey, Wingham (8), Ross, Hickey, Forbes; total, 26. Referee, Bill Mitchell.

### Ladies' Game

The Amazons, without Emyd Morris, were an easy prey for the Comets, who trimmed them decisively, 14-5. The game was fast but spotty. The Amazons rushed and dribbled, but showed no team play whereas, the Comets worked together and scored most of their efforts. Julia Roberts was the outstanding player both in defensive and offensive play. The rest of the team gave her great support with Harvey, Jack and Gurvich taking a hand in the scoring. Sue Boddie was the whole Amazon team, but she got very indifferent help from the rest of the team, who fumbled passes and lost many chances. As a team they did not exist. Just a bunch of individuals working hard but achieving little.

Comets—Steen, Roberts (7), Gurvich (2), Jack (3), Harvey (2), Connery; total, 14.

Amazons—Bodie (3), Pitchard (2), Ritchie, McLeod, Kich; total, 5. Referee, Bill Mitchell.

### Junior Game

The first half of the Junior game between the Japanese Students and the Rovers was keenly contested. The Rover team was the most outstanding during this half. Near the end the Japanese students scored two baskets in quick succession, thereby evening up the score 4-4.

In the second half the Rovers for a time took the lead. The Japanese were given very strong support by the spectators, and they staged a counter-attack, they played the better brand of basketball and led by Obata and Kishimoto they took the lead. The Japanese possessed a great deal of confidence, as a result of their win last Tuesday, but still the Rovers were making them play hard for their victory. For a time it looked as though the Rovers might win for they were well served

## SPORT CHAT

The Canadian Legion at Stewart has just started a new form of winter sports activity in the shape of a carpet bowling tournament between eight teams of four men each. In the first matches a team captained by President Murphy won by default over one captained by Vice-President Stewart while second Vice-President O'Keefe's team defeated one captained by Father E. M. Leray. Play is being continued.

Owing to the distance and the uncertain economic conditions prevailing this year the Swedish Olympic Committee in the presence of H. R. H. the Crown Prince has decided to send a limited number of Sweden's best athletes to the Olympic Games in Los Angeles and Lake Placid the winter and summer of 1932. In all a troupe of 95 members will be sent to the Games. It is the smallest number ever sent by Sweden since the year 1906, but in the opinion of the critics it is a well balanced and promising contingent.

on the forward line by McKinley and Davies, and they led by four points. But the Japanese retaliated and put all their efforts towards winning and during the last few minutes of play they scored three baskets which gave them a win 12-10. Davies and Obata were high scorers with six points each.  
Japanese—Obata (6), Suehiro, Kishimoto (4), Nakamoto, Kanaya (2), Conda; total, 12.  
Rovers—McKinley (2), McMee-kin, Bremner, Willisroft, McRae (2), Davies (6); total, 16.

## HUNTING IS ENJOYABLE

Party of Vancouver Men Had Splendid Trip Recently on Service Boat Nora Jane

Capt. Norman Brodhurst of the Pacific Salvage Co. staff returned to the city on the Prince Rupert this morning from Vancouver after having acted as pilot of the T. A. Kelley Logging Co.'s service boat Nora Jane on a hunting trip south of here with a party of prominent Vancouver, business and professional men who were the guests for the trip of Thomas A. Kelley, well known Queen Charlotte Island logging operator.

The trip proved a delightful one for all on board the Nora Jane, reports Capt. Brodhurst. Out two weeks, Gardner Canal and Giltees were among the points visited. One mountain goat, one bear and numerous deer, geese and ducks were bagged by the southern hunters. Weather was really too fine for the best of hunting, there being but one day of rain and one day of snow during the entire outing. Departure on the trip was made from here on November 28 and the Nora Jane arrived at Vancouver on Monday of this week with her guests.

J. H. McLeod, collector of customs here, who was among those who made the hunting trip, is spending a few days in Vancouver and will return here on an early boat.

## TELEGRAPH STILL DOWN

Fresh Breaks on Line Reported—Wireless Service to Vancouver

Telegraphic communication between Prince Rupert and the outside world was still interrupted this morning and it was believed that heavy snow with frost on the lower Skeena River last night had probably caused even more breaks in the lines. Strenuous efforts were being made to restore communication but heavy snow was hampering the work of the trouble finders.

More important business between here and Vancouver and other southern points is being handled by wireless. Telephonic service between here and Haysport and Port Simpson is being maintained by the Government Telegraphs.

## HITLER IS CRITICAL

German Fascist Leader Predicts That Emergency Decree of Chancellor Will Fail

BERLIN, Dec. 16.—Adolph Hitler, German Fascist leader, made a spirited reply yesterday to the accusation of Chancellor Heinrich Bruening that he was really endeavoring to stir up civil war while preaching fascism.

Hitler predicted that Bruening's recent emergency decree would be a failure. "Laws not words will help Germany," declared Hitler.

## RADIONS TO STAY

Broadcasters Are Not to Be Banned From Pacific Coast Conference Football Games

SAN FRANCISCO, Dec. 16.—At a meeting here yesterday the Pacific Coast Football Conference decided not to ban radio broadcasters from conference games. Certain new regulations were made, however, to prevent interference of newspapermen with play during the progress of a game.

## TROUBLE ON POWER LINE

Electricity Now Coming to City From Shawatlans—Heavy Snow On Falls River Route

The transmission line between the city and Falls River having been put temporarily out of commission due to heavy snows, the Northern B. C. Power Co. has been bringing power into the city since yesterday from the emergency plant at Shawatlans Lake.

It was stated this morning that the Falls River transmission line was again in commission but, owing to heavy snow conditions, its use was hardly practicable. The telephone line between the city and Falls River is also down. Men are now crusing the line.

## In Agony from Sheer Weakness

Mrs. Spurgeon Dawson firmly believes she would not be here today if she had not taken Dr. Williams' Pink Pills (tonic)

"When my children were small," writes Mrs. Spurgeon Dawson, Wolverton, Ont., "I was so weak and run down I could not walk across the floor without fainting. Even the slightest exertion was too much. Days were spent in agony from sheer weakness, and nights were made fearful through sleepless hours.  
"It seemed as if nothing whatever would help me... Dr. Williams' Pink Pills were recommended, and after taking twelve boxes I found strength returning and my stomach able to handle food again. I had not known what a meal was for months."  
"What would you give to be able to cast aside your weakness and substitute vigorous physical strength? That is exactly what many men and women have been

enabled to do by the use of Dr. Williams' Pink Pills (tonic).  
The iron and other elements in these tonic pills increase the amount of haemoglobin or oxygen-carrying agent in the blood. The increased supply of oxygen kindles life in all your tissues just as a draft of fresh air kindles a fire. The result is a better appetite, restful sleep, and ability to do your work happily.  
Get a supply of Dr. Williams' Pink Pills. Take them faithfully. Don't look for immediate results. Sometimes the beneficial results come almost at once—but not always. Give this tonic a fair trial and you will be rewarded—just as other Canadian men and women have been rewarded. 50 cents a package.
