### MEETING OF SCHOOL BD.

Miss Margaret Palmer is Appointed  
Principal of Seal Cove School

### Commercial Class

Teachers to Turn Over Three Per  
Cent of Salaries For Unem-  
ployment Relief

The regular monthly meeting of board of school trustees was held last evening. Those present were Mrs. Spenser, chairman, L. W. Waugh, W. J. Greer, J. J. Gillis and E. Barrie, trustees, and J. O. Williamson, secretary.

Applications were read for the principalship of Seal Cove School and the board appointed Miss Margaret Palmer, who has been teaching there for the past four years.

Tenders having been called for various jobs around schools, the following were awarded contracts: Shingling Borden Street School on one side to H. M. Daggett. Painting Seal Cove School, Bell & Keays.

Kalsominig King Edward High School, nine rooms, Bell & Keays. Kalsominig Borden Street School, eight rooms, F. Scadden.

Strong efforts are being made by Trustee Greer to overcome the leaking in one or two rooms at Booth School, and it is believed that the source of the trouble has been discovered. He has personally been overseeing the work of locating the leaks, and is very hopeful of success. The board thanked him for his efforts, and also for his kindness in lending certain parts of the scaffolding being used, and for his method of erecting staging, which has saved the board considerable money during these strenuous times, and is very much appreciated.

Accounts amounting to \$7,799.16 were passed for payment. A large number of applications were received for the two vacant positions on the High School staff, 32 being received yesterday morning in the mail. The board decided to wait for another mail or two before making any selection.

### Smell at High School

A strong complaint was made by one of the trustees regarding the obnoxious smell that is prevalent at the High School, and the secretary was instructed to at once take the matter up with the medical health officer. The chairman stated that this smell has been a constant worry to the board for the past three or four years, and so far the board's efforts to have this fixed have not been successful. While the rain is

in season, there is very little smell but, after a spell of dry weather, it is very bad and certainly should be attended to at once without fail.

On recommendation of the principal of the High School and after a thorough discussion by the board, it has been decided that, commencing September, 1931, no pupils just promoted from Grade 8 shall be allowed to take commercial course, and that, on and after September, 1932, all pupils must have passed Grade 9 in English, Hygiene, History and Arithmetic, and that pupils will then complete their commercial course in two years. This has been decided upon on account of the change in the School Act, and also to save the expense of having to build another room for this class at a time when money is very short. It is expected that this will turn out better for the pupils who will concentrate to pass Grade 9 before entering commercial, instead of having the High School course and commercial course intermixed during the same year.

The Teachers' Association has notified the board that, commencing September, 1931, and continuing until June 30, 1932, they will donate three per cent of their salaries to be expended as directed by the school board for the relief of unemployment.

### HOSPITAL HAS SMALL DEFICIT FOR LAST MONTH

The financial statement of the Prince Rupert General Hospital for the month of May, presented at last night's board meeting, showed a deficit of \$47.78 on the month's operations with collections standing at \$4,320.48 and disbursements at \$4,368.26. There were 1647 hospital days at cost per day of \$3.65.

### BARGAINS Bigger Than Ever

It doesn't seem that long but it's two years since we opened our store on Third Avenue and since that time we have enjoyed the public patronage and very much appreciated their support, and take this opportunity to thank all who have contributed to our success. We endeavor to keep prices reduced for their benefit.

### Discussion Of New Ambulance

Matter of Its Operation Taken Up  
and Left to Committee—to  
Pay Extra Sales Tax

The hospital board last night discussed the manner in which the new ambulance, which is expected to arrive very soon, should be operated. It was decided to leave the matter in the hands of the executive committee, the feeling being expressed that, if Matt Videck desired to continue the operation of the ambulance under present conditions, he should be allowed to do so as the service he had given in the past had been quite satisfactory. The executive will also take up the matter of the insurance of the ambulance and other such details.

The board agreed to pay the extra sales tax on purchase of the ambulance, an addition of three per cent having been made in the tax since the ambulance was ordered. Ald. Rudderham reported for a committee of which he was chairman on a conference which had been held with V. S. Moore of the Kaien Motors in connection with certain details of the ambulance. The vehicle will have a light grey body with darker grey trimmings. It will be designated by the words "General Hospital" along its sides.

### CHILDREN THRIVE ON KLIM!

Absolute purity and uniform quality make Klim the ideal milk for children. All the cream, all the valuable body-building elements of fresh, wholesome, dairy milk are embodied in Klim in readily-assimilated form. Yet, by special process of removing the natural moisture, Klim will keep fresh, without ice, until you are ready to use it.

At the summer cottage, or in districts where a safe milk supply is not available, Klim is positively indispensable. Specialists in infant and child welfare recommend the use of Klim whole milk and have worked out correct formulae for the feeding of children of all ages. Write for helpful information, enclosing 10 cents for trial-size can of Klim.

The case of Aubrey Jackson, charged with theft of money, was remanded until Monday morning on coming up before Magistrate McClymont in city police court this morning. L. W. Patmore, defence counsel, was unable to appear, being engaged on another case.

There were seventy-six passengers aboard the steamer Princess Alice which was in port yesterday afternoon bound from Skagway to Vancouver. Of this number, sixty were round trip tourists returning south. There were no disembarkations from the vessel here.

### TO ATTEND CONVENTION

Lady Superintendent to Be Delegate  
to Annual B. C. Hospitals  
Convention

Miss Jean Harrison R.N., lady superintendent, will represent the Prince Rupert General Hospital at the annual convention of the British Columbia Hospitals Association to be held in Victoria in September. The hospital board decided last night Miss Harrison will attend the convention, which takes place in Victoria, while on her way back from her annual vacation trip which commences next month.

### Monthly Report Of Superintendent

Hospital Board Regrets Death of  
Miss Olafson—Wishes Happiness to Miss Dibb

In her monthly report to the hospital board at its meeting last night, Miss Jean Harrison R.N., lady superintendent, stated that the house was comfortably busy at this time. Miss Harrison referred to the loss during the past month of two graduates of the local training school—Miss Thorhilda Olafson R.N., by death, and Miss Winnie Dibb R.N., who was resigning to be married.

The board expressed its regrets at the death of Miss Olafson and bespoke prosperity and happiness for Miss Dibb in her forthcoming new sphere.
