THE LAST RESORT THAT SHOULD BE FIRST

Many people come to us as a last forlorn hope that our science may help them, and they go away vowing that thereafter the chiropractor shall come first. Happily, there are lots of people who understand and appreciate the chiropractor, and every day others learn the value of our adjustments. Don't wait until all others have failed. Come to us now.

Country Readers of "The Daily News"

To the readers of the Daily News who live out of town, we suggest that the classified columns of the paper provide an excellent medium for the disposal of articles they may have for sale or exchange.

Last season a lady at Smithers did a large business in selling fresh eggs direct from the farm by advertising in this paper.

Chickens, implements, household goods, boats, fishing gear, guns, cordwood, furs and dozens of other articles may be disposed of. The charge is two cents a word but six times goes for the price of four.

Many people get good results.

Why not you?
