Turned Blue In The Face He Coughed So Hard

Mr. Joseph Laudhardt, Melville, Sask., writes:—"Last winter I had such a bad cold that when I started coughing I would turn blue in the face.

I went to the druggist and asked him what I could do for it, and he handed me a bottle of Dr. Wood's Norway Pine Syrup. When I had finished it I felt a lot better, so I got another one and after that was finished I never had another cough all winter." Price 35c. a bottle; large family size 65c.; at all drug and general stores; put up only by The T. Milburn Co., Ltd., Toronto, Ont.

Thin and White— Couldn't Do Work

Mrs. Smart's Faith in Dr. Williams' Pink Pills (tonic) Was What Saved Her.

"I became thin and white," writes Mrs. Jessie Smart, Newmarket, Ontario, "and could not do Years Ago.

bered what my mother used to give me, and I sent my husband out for a box of Dr. Williams' Pink Pills, He laughed at me, but he would not laugh now! . . . ! kept right on with Dr. Williams' Pink Pills, and now I work hard and feel as young as I did 20 years ago."

The iron and other elements in Dr. Williams' Pink Pills increase the amount of haemoglobin or oxygen-carrying agent in the blood-enabling the blood to carry more oxygen to the tissues. The increased oxygen re-vitalizes your body just as a draft of air kindles a fire.

The old standby, Dr. Williams' Pink Pills is in every drugstore, ready to help you. 50 cents a package.
