Mrs. Spence of Dawson City, Y. T., was on board the Princess Louise yesterday, returning home after spending the summer in southern cities. She came ashore here and had breakfast with Mr. and Mrs. W. Anderson, Taylor Street. Over forty years ago she was one of Mrs. Anderson's pupils in the Grammar School at Jedburgh, Scotland, and was one of a deputation from that school who presented Mrs. Anderson with wedding gifts, since when they have not met. A small paragraph in the Daily News enabled Mrs. Anderson to arrange the reunion which revived very pleasant memories to both.

T. W. Brown, local barrister, left on yesterday afternoon's train for a trip to Prince George on legal business.

We have added one more jersey cow to our herd, and are in a position to supply a few more customers with real Prince Rupert milk.
