Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism. Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication. Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

The Daily News costs only 10c a week to residents of the city, or \$3.00 a year to those who live outside the city, but in Northern or Central B. C. Put yourself in line for happiness and good cheer by subscribing today, if you are not already taking the paper.

Be optimistic. Read the Daily News of Prince Rupert and cheer up. Keep in touch with the district. Read all the advertisements. Then buy at home. Buy the home paper. Have faith in the city. Work hard and smile. That's the way to keep yourself happy. There is nothing like Optimism to cheer yourself up and ban the blues. Make a start at once and give the plan a good trial.

The Daily News costs only 10c a week to residents of Prince Rupert or \$3.00 a year to residents of the district outside the city. Keep yourself in good standing and on the road to happiness by subscribing to the Daily News today.
