HER CASE SEEMED HOPELESS

But "Fruit-a-lives" Brought
Health and Strength

29 St. ROSE ST., MONTREAL.

"I am writing you to tell you that I owe my life to 'Fruit-a-lives'. This medicine relieved me when I had given up hope of ever being well.

I was a terrible sufferer from *Dyspepsia*—had suffered for years; and nothing I took did me any good.

I read about "Fruit-a-lives" and tried them. After taking a few boxes, of this wonderful medicine made from fruit juices, I am now entirely well!"

SANTA CLAUS VISITS ST. ANDREW'S SOCIETY

Christmas Tree for St. Andrew's Children Proves Most Entertaining Event.

There was a joyous gathering last evening in the St. Andrew's Hall, when Santa Claus entertained the children of all the members. There was a gorgeous Christmas Tree, which reached to the roof, with its branches laden with presents and gaily decorated. Santa Claus was there himself, too, and was deservedly popular with the little ones. He remembered each one of them. The large hall afforded plenty of room for them to romp and play in.

Later in the evening, the older young ones began to step out to the strains of the pipes, and the merry dance was kept up until the early hours. Everyone enjoyed the event very much indeed.

THREE SLATED FOR MAYORALTY COMING YEAR

W. H. Montgomery, S. M. Newton
and Mayor McClymont
Will Run.

MUCH SPECULATION
IN OTHER BRANCHES

The mayoralty race appears to have at least three contestants, S. M. Newton and W. H. Montgomery are definitely slated for nomination and it is generally understood that Mayor McClymont will seek re-election. Alderman Rochester is repeatedly suggested as a possible nominee, but he states that so far he has not given the matter very serious consideration. Fred Shaw's name is persistently mentioned also. Alderman Perry has been named as a contestant, as well. Alderman Casey has decided not to be an aspirant for the honor.

It is believed that the most of the aldermen will seek re-election although Alderman Kirkpatrick is the only one who has publicly stated that intention. This was done at a meeting of the Trades and Labor Council two weeks ago tonight. This evening, it is expected, the election committee will report to this body and the candidates for the offices will be named.

Dr. W. T. Kergin and J. C. McLennan retire from the school board this year. Dr. Kergin has stated that he will not run again although his many friends wish his re-election. He has given a long service on the school board. J. C. McLennan will seek re-election. The remaining members of the board, Mrs. Kirkpatrick, L. W. Patmore and Fred Shaw, do not give up office until next year.

S. D. Macdonald, police commissioner, completes his term this year but has not yet made up his mind as to whether he will seek re-election. Commissioner George Hill does not finish his term until next year.

It is yet a little early to obtain a definite idea of who will run and who will not. However, speculation is rife and many names are mentioned. Many of those named have not yet made up their minds and will not state their intentions definitely. Nomination day is January 12. One thing that is promised is spirited contests for most of the offices.

VARIETY OF FURS SOLD AT HAZELTON

A fur sale was held at Hazelton last Wednesday and consisted of a choice collection of northern furs including 598 muskrat, 529 ermine, 84 marten, 36 mink, 21 lynx, 5 coyote, 3 red fox, 2 silver fox, 3 skunk, 2 otter and 2 wolverine.

The buyers present represented New York, Edmonton, Vancouver and Prince Rupert firms. Muskrat and ermine were in strong demand and were keenly competed for. The demand for marten, on the other hand, except for choice dark skins, has fallen off somewhat since the sale last month. The sale was conducted by the Northern British Columbia Fur Sales Agency.

The Aftermath of the Flu Epidemic

Necessity Pointed Out of Public Being on Their Guard for Years to Come

A prominent physician is quoted as saying: "It is altogether probable that as an after effect of the influenza there will be an unusually high pneumonia death rate for several years to come."

Warnings such as these should be borne in mind and drive home to every person the necessity of prompt action in every case of cold—usually the forerunner of influenza, pneumonia and kindred ailments.

It is possible to afford effective relief if it is taken in its early stages, especially for a cold by home treatment, especially when the sneezing, running at the nose, closing up of the head occurs—start taking Grip Fix. This preparation contains Aspirin, Phenacetine, Quinine, Salol, Caffein Citrate and Camphor Monobromate—drugs which any physician will say are the proper treatment for colds. So effective is it that Grip Fix relieves a cold in a night and a case of Grippe in 48 hours. This statement is made on a merchandising experience of over 10 years, during which the preparation was used all over the country. Get a box of Grip Fix tonight and take it home. Then, when colds come, a reliable treatment is at hand. Be sure and get the genuine Reid's Grip Fix as there are no substitutes which do as effective work. It sells at 35 cents per box and can be obtained at any drug store.
