"How will you have  
your Shredded Wheat  
this morning?"

"I'll have it with hot milk,  
my dear. It's a bit chilly out  
doors, and I want something  
to warm me up. It certainly  
is great the way you can  
serve Shredded Wheat as  
either a hot or cold cereal—  
and just as easily either way.  
Fickle spring can't fool us,  
can she? And be sure to  
have some Shredded Wheat  
yourself because it is what  
you need to keep strong

weather."
