MANY TEAMS IN RUNNING

A meeting of the Prince Rupert Basketball Association was held in the City Hall last evening for the purpose of receiving team entries. To date three senior teams have entered, and three intermediate teams with a possibility of two more teams, three junior teams, and enough material to make three good ladies' teams. No decision has been made yet as to which hall will be available, but this matter will be decided at or before the next meeting.

WILL OPEN NEW HALL

Parish of St. Peter's Has Unique Building Which Was Erected By Voluntary Labor

Bishop G. A. Rix will tonight officiate at the opening of the new parish hall for St. Peter's (Seal Cove) Church, one of the finest small halls in town and built wholly by voluntary labor. It will be used for the social and Sunday School work of the church.

The building of the hall was practically forced upon the people there by the fact that there was no room in the church to accommodate the one hundred Sunday School pupils who attend. The building is fitted for badminton, carpet bowls and other indoor sports and will also be used for church meetings.

Tonight the keys of the building will be handed to the Bishop, representing the diocesan organization and will then be handed back to the wardens of the parish to hold in trust. Dedication ceremonies will take place at 8 o'clock and half an hour later a musical entertainment will commence and later refreshments will be served.

The opening of this building means a great deal not only to the Anglican Parish of St. Peter but to the whole community of Seal Cove.
