

Vancouver Lions Take Three Point Lead in Hockey League; Portland Buckaroos Near Out

PORTLAND, Feb. 20.—The Vancouver Lions took a three-point lead over Seattle Eskimos in the Pacific Coast Hockey League last night by scoring a three to two victory over the Portland Buckaroos who, though crippled by illness, put up a brilliant game. The match was featured by many penalties on either side, many of these seeming to have little justification.

Portland and Vancouver played even in the first period. Frank Jerwa made the first goal for Vancouver in the second period and Paul Maher evened it up. Just before the close of the period, Blythe scored again for Vancouver.

The third period was fast and furious. Pettinger scored for Vancouver on a fast pass from Blythe, catching Andy Akenhead, Buckaroo goalie off his balance. Coupez shovelled in the second goal for Portland from right in front of the net on a pass from Downie. It was a fast play. The Buckaroos all went forward then but failed in the frantic effort to even it up. Paul Maher was completely knocked out when he ran into the boards.

The result of the game just about spoils any further chances the Bucks might have to win league honors this winter.

At Boston, the Montreal Canadiens and the Bruins, rival sectional leaders, battled to a one goal draw.

At Chicago, the Detroit Falcons went into a tie with New York Rangers for third place in the American division by defeating the Black Hawks five to four in overtime.

M'LARNIN IS ON AIR

Popular Vancouver Boxer Heard Last Night During Hockey Game Broadcast

Prince Rupert people who were listening in last night on the Portland-Vancouver Pacific Coast Hockey League game broadcast from station KOIN in Portland were agreeably surprised to hear Jimmy McLarnin of Vancouver, "uncrowned world's middleweight champion," say a few words. Jimmy, who is on his way to California to do some training before proceeding to New York for a series of bouts, was a guest in the press box at the game and was called on by the announcer.

Judging from the remarks that were made, Jimmy is quite as popular in Portland as in all other places the smiling Vancouver Irish boy visits.

BOUT IN CHICAGO?

Madison Square Garden Manager Silent About Venue of Stribling-Schmeling Fight

NEW YORK, Feb. 20.—William Carey, manager of the Madison Square Garden, on his return yesterday from a trip to Chicago, had nothing to say regarding the possibility of the Schmeling-Stribling world's heavyweight championship boxing bout being held in Chicago in June. This was in spite of reports from Chicago that Carey had been there making arrangements for the holding of the big fight in the Windy City.

One thing appears certain, however, and that is that if the Milk Fund does not get a sufficient share of the proceeds, the fight will not be staged in Chicago but will probably go to Cleveland or Detroit.

Change in Bird Close Season on Islands Resented

SKIDEGATE, Feb. 20.—Considerable resentment has been expressed on the Queen Charlotte Islands at the action of the Game Department in advancing the goose and duck shooting season one month, thus closing it that much earlier.

During the first month of last open season not one bird was seen around Skidegate but, when the season was closed, the birds were plentiful. It is stated that the bird migration on the islands is not the same as on the mainland owing to the very mild climate here.
