

Her Two Children Coughed Day And Night

Dr. Wood's Norway Pine Syrup

Mrs. Fred T. Kilnappel, R.E. No. 1, St. Agatha, Ont., writes: "My two children were coughing, day and night, from a very severe, whooping cough. I tried every kind of medicine I could think of, but they got no relief. A friend told me I should try Dr. Wood's Norway Pine Syrup, so I got two bottles of it, and before they were used the children were rid of their cough. It is a very good medicine, and I would not be without a bottle in the house." Price 35c a bottle; large family size 65c; at all druggists or dealers; put up only by The T. Milburn Co., Ltd., Toronto, Ont.

WEATHER IN CALIFORNIA

Neptune Plays Strange Pranks— Fine Day in 'Frisco But Terrible in Los Angeles

LOS ANGELES, Feb. 20.—The Weather Man played strange pranks in the state of California yesterday. While San Francisco was basking in clear, warm, sunny weather, Los Angeles was visited with one of the worst wind and rainstorms of the season, the gale assuming at times a velocity of 45 miles per hour.

The death of one man here is attributed to the storm. He was lighting a gasoline stove in the wind when it exploded and he sustained burns which resulted in his death.

Wire Tapping Is Discussed

Attorney-General of United States Thinks it is Often Justifiable

WASHINGTON, D.C., Feb. 20.—Attorney-General Mitchell stated yesterday that, as a general principle, he was opposed to wire tapping by the authorities in order to get evidence against criminals but that, in administration of the liquor laws, he felt that such a practice was often justifiable.

The attorney-general declared that federal agents had the right to tap wires in state that had legislation against such practice.

ADD HEALTH TO HOT BREADS

Hot breads are tempting. But often they lack roughage. The absence of bulk from foods often results in constipation.

But now you can have hot breads with roughage. Simply add a cupful of Kellogg's ALL-BRAN to the recipe. This delicious cereal furnishes the bulk needed to assure proper elimination. You will find many appetizing recipes on the red-and-green ALL-BRAN package.

Equally tempting as a ready-to-eat cereal with milk or cream. Two tablespoonfuls daily are guaranteed to prevent and relieve both temporary and recurring constipation. In severe cases, use with each meal.

ALL-BRAN also furnishes needed iron for the body. At all grocers. Made by Kellogg in London, Ontario.
