of Heinz Beans

-all baked!

Baking makes many foods taste better—but beans, above all, need to be baked to bring out their flavour. Heinz Beans taste better because they are really baked in dry-heat ovens just like your own. Most beans are simply steamed in a sealed can. But oven-baking makes Heinz beans marvellously light, tender and digestible. The sauces, that only Heinz can make, permeate every bean.

One taste will tell you the differ-
