In Prince Rupert

May 19, 1912

Dr. Alfred Thompson, M. P. for Yukon, and H. S. Clements, M. P. for Comox-Alberni, arrived in the city on the Prince Rupert yesterday from Vancouver and were given a great reception at the wharf. Last night a banquet was tendered in the Central Hotel to Dr. Thompson and Mr. Clements. During the evening they also addressed a public meeting in the McIntyre Hall.

It was "amateur night" again at the Westholme Theatre when G. S. Fitzmaurice gave recitations from Robert W. Service's poems, E. W. Hunt rendered cornet solos, A. Stowell and W. Whitley sang captivating coon songs and William Oram gave humorous recitations. The farce "A Scientific Experiment" was presented by Messrs. Whitley, Stowell, Fitzmaurice and Evitt with assistance of Misses Madge Lane and Florence Middle-

Three hundred suffragists of both sexes attended the first dinner of the Men's League for Woman Suffrage held recently in the Hotel Marseille, New York.

To Enter International Regatta

Loretta Turnbull, America's speedboat queen, and her two brothers, Rupert and Raymond, leave New York for Lake Garda, Italy, for the international regatta.

Now is the Occasion

The Road To Progress

Prince Rupert will make progress if the people build up the hinterland. This week they have the opportunity to help themselves by helping the Bulkley Valley farmers. Bulkley Valley Baby Beef is on the market now. It is the choicest shipment ever made to the city and no one can make a mistake in purchasing it.

The carload arrived recently and has been distributed. Almost all the butchers in the city are carrying some of it.

Progress comes through co-operation. Today we have an opportunity to show that we are ready to co-operate with the farmers of the interior by specifying their beef when telephoning our orders. It is a simple matter but it means a great deal to the farmers.

There is no reason why British Columbia people should be fed on Alberta products when they have good things of their own produced right within their own boundaries. We have the friendliest feelings toward our sister province, but if we cannot use our own product we cannot expect others to use it. If it is good enough for export it should be good enough to use at home. By buying at home we encourage our own people, making them so prosperous that they are able to buy from us. The dollar spent on Bulkley Beef is likely to return but the dollar expended on Alberta beef is likely to remain on the other side of the Rocky Mountains. The motto then should be:

BUY BULKLEY BEEF AND THUS BUILD UP BULKLEY VALLEY FARMS
