# MEETING

Fred Wermig Is Elected New President of Local Association

The Prince Rupert Radio Association, at its annual meeting in the culate a petition among radio ownfirst class man be sent to Prince Rupert at once to investigate radio interference which is gradually becoming worse in the city, with a view to having the situation cleared up. The text of the petition expresses the opinion that radio owners of Prince Rupert are entitled to be given such an investigation in view of the licence fees which are paid. A strong letter to be drawn up by the executive will accompany the petition when it is dispatched to Ot-

The meeting discussed other DETAILS phases of radio interference in Prince Rupert but all boiled down to the one essential fact that a very large part of interference in the city high power line of the Northern Head Office of Northern B.
