#### Canons and Constitutions of Diocese Were Under Discussion Yesterday Salaries Reduced

OF SYNOD

BUSINESS

rules and regulations for the carying on of the work of the Anglican Church in the Diocese of Caledonia, were formulated and passed by the synod in session here yesterday. Much time was given to discussion on various canons clause by clause. One of the most important matters under discussion was the financial condition of the diocese and means of balancing the budget by the end of the year, eliminating the huge

TAKES RUN deficit which is now shown.
It was proposed by the It was proposed by the clergy in session that a ten per cent. cut be made in all salaries from the top of the ladder to the bottom, this proposal being accepted unanimously. The understanding is that salaries will be restored to the present normal after existing fi-Making her first appearance at nancial difficulties have been over-

#### Meet Obligations

All parishes were also urged to meet their obligations to the diocese by forwarding as promptly as possible the amounts set to be raised by the several parishes for the carrying on of the great missionary work.

Yesterday evening's session was given over to consideration of the canon dealing with the Church Army work among the natives of the diocese.

At the conclusion of the Synod last night, votes of thanks were passed and the Bishop instructed to transmit the same to the following: Missionary Society of the Canadian Church, Society for Propogation of the Gospel, Colonial and Continental Church Society. British Columbia and Yukon Church Aid Society, Caledonia Missionary Union, Council for Social Service, General Board of Religious Education, Dominion Woman's Auxiliary, Diocesan Woman's Auxiliary, St. Andrew's Woman's Auxiliary, hosts and hostesses, the press, the secretary-treasurer of the diocese, honorary clerical and St. Andrew's Cathedral.

### Warm Weather, Rain, Make Conditions Ideal; Grain Well Advanced

Most of Wheat Is In Shot Blade and Some Is Actually Coming Into Head—Alberta Growth Is Wonderful

WINNIPEG, June 18:-Crops are making splendid progress with the warm spells and frequent rains which have characterized the weather offering during the past week, according to the weekly crop report of the agricultural department, Canadian National Railways. Much of the wheat is in shot blade and some of it is actually coming

in head. Coarse grains are stooling" thickly and optimism prevails in all condolences crop areas except those which are busy combatting the grasshopper
