BASKETBALL ON TUESDAY

Panthers Beat Sons in Senior Fixture—High School Victorious In Intermediate

A good card of basketball games was played in the Auditorium on Tuesday night. The senior game was very good and close. At the end of the first half Sons of Canada led 11-9 but, toward the end of the game, the Panthers put on a final spurt which made them victorious over the Sons to the tune of 31-26.

The first half of the intermediate game found both teams evenly matched with High School having the slight edge, 14-11. In the second half, however, the Merchants lost their heads and the High School players, who were in good form, stepped out and played all over them and, at the whistle, the score stood 36-24 for Students.

In the Ladies' League fixture the Amazons again defeated the Cardinals 15-10 in a close game.

In the junior contest the Scouts played hard to win from the Rovers, 17-16. All during the second half the Rovers were leading until, with but a few minutes to play, the Scouts went on a scoring spree to turn defeat into victory.

Letter From Bill Plommer To Andy Lytle Is Published In Sport Pages Of Vancouver Sun

A lengthy but interesting letter by J. W. Plommer of this city to Andy Lytle, sports editor of the Vancouver Sun, is featured on the sport page of a recent Vancouver Sun. Local amateur sports, particularly basketball and track events, are described at some length. There might be much latent Olympic material here, the letter suggests, but the fact that this city is so far removed from major track events and the trials is considerable of a handicap.

Inspiring Appeal For New World Neighborhood Made By Bishop of Yukon in Address to Gyro Club.

schools and the service clubs could do much. There should be no such thing as "superior" and "inferior" nations. Better would it be to call them "advanced" and "backward" nations.

"Let us banish ignorance," continued the speaker. "Then let us eliminate prejudices based on half-truths, forget past grudges, and finally, let us not judge nations by the unwise acts of individuals. And may all good men give of their best towards realizing these ideals."

In opening his address, Bishop Sovereign brought greetings from Vancouver Gyro Club of which he is a prominent member. It was not his first visit to Prince Rupert for he recalled that he had been here twenty-five years ago and had attended the opening of Prince Rupert's pioneer hotel, the Prince Rupert Inn.

The luncheon was presided over by William Cruickshank, president of the Prince Rupert Gyro Club, who heartily thanked Bishop Sovereign for his address and voiced appreciation of the courtesy of the Canadian Pacific Railway in permitting the steamer Princess Norah to be held over so that the Bishop might attend and address the luncheon.

Guests at the luncheon included Rt. Rev. G. A. Rix, Bishop of Caledonia; Very Rev. J. B. Gibson, dean of St. Andrew's Cathedral; Rev. W. F. Rushbrook, rector of St. Peter's Church; Rev. W. B. Jennings of the mission boat Northern Cross, Mayor Cyril H. Orme, John G. Painter (Detroit), Simon Hellenthal (Juneau), Rev. W. D Grant Hollingworth, Orme Stewart and F. A. MacCallum.

5,000 FACTS ABOUT CANADA

The new edition of "5,000 Facts About Canada," for 1932, will be welcomed by the public, as it contains a wealth of new data, including the latest census returns of cities and towns over 10,000 population. The compiler, Frank Yeigh, the well known Canadian author and publicist, meets a long felt want in this annual compendium of Canadian facts, truly "the Dominion in a Nutshell," that has a world-wide circulation. Fifty chapters deal with every phase of our national life in the most concrete form, giving a vivid impression of the progress or otherwise of the country. There is much to hearten the reader in its contents, in the striking contrasts made with previous years and chiefly when measured by 1900, showing a marked degree of progress in spite of seasonal fluctuations. The Facts in fact act as a wholesome tonic. Copies may be had at 35 cents each, or three for a dollar from the Canadian Facts Pub. Co., 583 Huron St., Toronto, or through newsdealers.

How OVEN-BAKING makes beans lighter MORE APPETIZING

The dry, even heat of the Heinz ovens permits you to have beans with a flavour, a lightness, and with digestible qualities that all the boiling or steaming in the world could not equal.

Most tinned beans are steamed or boiled. Look on the label of the brand you use. Unless you find the word "Baked", those beans aren't baked.

In the Heinz ovens at Leamington, beans are so baked that all the flavour is retained and the delicious rich sauces that only Heinz can make permeate every bean, as butter permeates a well-baked, mealy potato. Taste once more the delicious savour of beans as Grandma used to bake them in the old wood stove.

You can get Heinz Oven-Baked Beans in four tempting styles. Two styles with Tomato sauce—with Pork and without. Then, there is Boston style—with Pork and a delicious sweet sauce. Lastly, Red Kidney Beans in a savoury sauce—ready to serve. They are all OVEN-BAKED. Remember, only Baked Beans can be labelled "Baked."
