Both bride and groom are widely mown and very highly respected here. The groom is one of the early pioneers of the district, having taken up land here before the railway was built. The bride has also been a resident of the district for the past twenty years.

Many beautiful wedding gifts were received by the happy couple, a tribute to the esteem in which both are held in the district.

Mr. and Mrs. Corlett left on this norning's train and will spend a few days in Prince Rupert before taking up residence in the groom's home in Terrace.

At the meeting of the Terrace branch of the L. O. L. held on Tuesday evening, Mr. Corlett, one of the prominent members, was presented with a handsome silver tea service by the brethren of the lodge in view of his approaching marriage.

Would Have Fraser River Run Completely Abandoned and That of North Encouraged Instead, It Is Intimated in Provincial Government Circles

VICTORIA, March 10:-As a result of further objection on the part of the United States Senate to ratify the treaty negotiated five years ago between Canada and the United States for preservation of the salmon fisheries of the Fraser River, British Columbia will urge upon Ottawa the complete abandonment of the salmon run on that river and the development of northern fisheries in place of it. This is intimated in government circles here.
