To Stamp Out National Evil

Thousands No Longer Fear Constipation

IN view of that menace to health, constipation, there is special significance in the discovery made by a brilliant Canadian doctor, licentiate of the Royal College of Physicians, Edinburgh, and post graduate of famous European hospitals.

This doctor's personal research, lasting 15 years, resulted in the formula of Fruit-a-tives, which has had astonishing success in correcting constipation, indigestion, sick headaches and skin troubles, also uric acid diseases such as Rheumatism. Try Fruit-a-tives yourself. 25c and 50c. At all druggists.

Having been withdrawn from service on her return here last ev ening from Anyox and Stewart, C. N.R. steamer Prince Rupert, Capt. The baseball boys of Hazelton D. Donald, moved up from the C George, Capt. Harry Nedden, took last night for Vancouver via Ocean Falls and Powell River.

Local girl had a bad case of "Cross Eyes" until about three years ago, when she was fitted with new glasses by Geo. F. Davey, Reg. Optometrist, in charge of the Optical Dep't. of Max Heilbroner, Jeweler.

Recently she came back for examination and now you could not tell that the eye had ever turned, even without glasses, and we found it only necessary to change one lens.

It has always been admitted that children's eyes are the most difficult to fit, yet Mr. Davey has not had a single failure with children in nearby four years service here.

"How do they do it?"

Among your friends there's sure to be at least one smart young married couple who are the envy and admiration of all who know them.

With an income that is frankly abbreviated, and with no benevolent Aunts in the offing, they still have a home that is correct and comfortable in all its appointments, a home that is admired and copied by their friends.

"Yes, Jane is a remarkable little manager," will probably be the young husband's proud answer. And there is little doubt about it.

THEY DO IT THIS WAY

Take a look around that home and you will find no end of well known advertised products. For Jane is an efficient little manager. She can't afford to take chances that must only be debited to "Experience." When she buys for her home she must get tried and tested and trusted products which carry an honorable name to guarantee her satisfaction.

You will find that Jane is a consistent reader of the advertisements. Are you?
