Long Tour Described

(Continued from Page Two)

could do in a storm, were satisfied she could do her stuff. We ran into! a 50-mile gale with snow and had to slow down, causing us to be seven hours late in landing in Halifax, the first delay on the voyage. "At Halifax we spent several days visiting old school chums, realtives, etc. The existing depression

was not very apparent at Halifax, and prices were holding very well, and considerable building was in evidence.

Weather Unusual

"From Halifax, I went to Boston! by train, and thence on to New York, passing through many manufacturing cities en route. Weather conditions, after the one snowstorm at Halifax, were exceedingly mild, trees budding, etc. At Moncton, N.B., we were met at the train by Mr. and Mrs. Stuart McLeod--Mr. McLeod was formerly manager of the Royal Bank at Prince Rupert. They sent best wishes to Rupert friends.

"At New York we went to the top of the Empire State Building, 102 storeys and 1248 feet high. The view of New York City from there was amazing. A great many of the offices in the building were vacant. Twenty Years Ago | Signs of depression were seen in Boston and New York, in many va-Signs of depression were seen in cant stores and office buildings. There were also numbers of closed factories along the line of railway between these two cities. We were

TROUBLED ALL LIFE WITH CONSTIPATION

But Kellogg's ALL-BRAN Brought Real Relief

If you are subject to headaches, loss of appetite and energy, sleep-lessness and other effects that so often result from constipation, read Mrs. Turner's voluntary letter.

"For the past six months I have been eating Kellogg's ALL-BRAN, and cannot praise it too highly.

"Am fifty years of age. All my life have been troubled with constipation. Kellogg's ALL-BRAN has not only helped me, but has cured me. "I thought I couldn't like the taste of bran, but Kellogg's ALL-

BRAN is delicious." - Mrs. C. J.

Turner (address upon request). Tests show ALL-BRAN contains two things which overcome constipation: "Bulk" to exercise the intestines; Vitamin B to help tone the intestinal tract. ALL-BRAN also sup-

plies iron for the blood. The "bulk" in ALL-BRAN is much like that of lettuce. Inside the body, it forms a soft mass, which gently clears the intestines of wastes.

Certainly this is more natural than taking pills and drugs-so often harmful. ALL-BRAN is not habit-forming. Two tablespoonfuls daily will correct most types of con-stipation. If you have intestinal trouble not relieved this way, see your doctor.

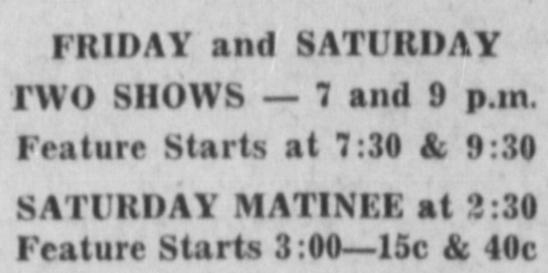

Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.
