Detroit Tigers Lose the American League Leadership-Cubs in Tie for National

NEW YORK, April 28- Losing a close game to the Chicago White Sox yesterday, the Detroit Tigers dropped out of first place in the American League, leaving the idle New York Yankees on top with a mathematical lead. As a result of the victory, the White Sox moved into fifth place ahead of the Philadelphia Athletics and St. Louis' Browns. The Browns were stubborn victims for the Cleveland Indians in the only other American League game yesterday.

Chicago Cubs doubled the score of the Pittsburg Pirates and movea into first place in the National League with the Boston Braves who were idle. The Pirates and Phillies are now tied for third place. The Cincinnati Reds defeated the St. Louis Cardinals and relegated the world champions to seventh place while they, themselves, moved into sixth position.

All other Big League games were postpened because of rain or cold weather.
