CORPORATION CONTROL BAD FOR PIONEER

Advocates Institution and Support of Free Miners' League.

PRINCE RUPERT IS GOOD CENTRE MINING OPERATIONS

A letter has been received at the Daily News office from W. W. Rush of Seattle, Wash., dealing with mining conditions in Northern British Columbia. The letter goes into the discussion at great length of the values of a Free Miners' League and the curse of corporation control. The corporations, Mr. Rush maintains, do much to hinder the development of the prospectors and keep them from their just due. They control railroads and smelters and thus tie the small man right up.

He suggests that a good strong Free Miners' League would have much power in breaking this corporation rule and could bring in facilities on a co-operative basis that it would be impossible to, otherwise, have. Such an organization, having behind it a large number of citizens, would also demand government recognition.

The development of the mineral wealth of the province and especially of Northern B. C. would also be much stimulated by the establishment of an ore sampling plant by the government at Prince Rupert. The great mineral belts in the north would find a suitable centre in Prince Rupert and the city could be made a great mining town.

Never forget to look through the classified list on Page 5.

BIG DELEGATION REPRESENTS B. C. AT CONVENTION

Many Students Go to Des Moines to Gathering of North American College Pupils.

The delegation from the University of British Columbia to the International University Students Convention at Des Moines, Ohio, left Vancouver on Friday night last. The delegation is to be in the Ohio city to attend the all-Canadian conference on December 30. The object of the convention is to foster a spirit of mutual co-operation and interest between the various institutions of higher education in America and the party from the University of British Columbia goes with the determination of seeing that B. C. does not suffer from lack of advertising and attention being drawn to it.

President Klink, of the University of B. C., heads the party from British Columbia, and O. J. Todd, professor of Classics, will also attend. Other delegates include Wilson Coates, president of the Alma Mater; Miss Janet Gilley of New Westminster; James Mitchell, of Prince Rupert, president of the college Y. M. C. A. and Arts '21; Miss Lila Coates, president of the Y. W. C. A.; Miss Dorothy Brechley, secretary of the Y. W. C. A.; Alex. Monroe, president of the College Returned Soldiers; Mr. Harry Cassidy and Miss Marion Mounce, B. A.

Dr. W. H. Smith, the recently appointed principal of the Presbyterian Theological College, and Mr. Holmes and Mr. Atkinson, of the Anglican College of Vancouver, represent their respective institutions.

Quite a demonstration occurred at the train-side as the party of students left Vancouver and the customary college yells were given as the train pulled away from the station.

GREAT PROGRAM AT WESTHOLME TONIGHT

The Prince of Wales, Fatty Arbuckle and the Great Russian Actress Make up Interesting Show.

"Revelation" is the name of the photoplay to be screened tonight and tomorrow at the Westholme, and it is one of these plays that must be seen rather than described. Nazimova, the great Russian actress, is the star artist, and her talents have brought her into the first line of the emotional ones. The story of the play tells of a miracle, and concerns an artist's model in Paris, but the story is as naught compared with Nazimova. There will also be pictures of the Prince of Wales on his official visit to New York City and the reception he got there, and with Fatty Arbuckle "Out West" is rounded out a splendid evening's entertainment.
