### Is Your Back The Weak Point

Then get your kidneys right by using Dr. Chase's Kidney-Liver Pills

Very few people are in perfect health. There is a weak spot somewhere. When you get tired or your system gets a little run down you feel the effects at your weak spot.

If your weak spot is your back, then you may suspect that your kidneys are not in perfect order. The back aches or is weak and sore; you may have headaches; there will be dryness of the skin, pains in the limbs and disorders of the bladder.

The quickest way to regulate the kidneys is by using Dr. Chase's Kidney-Liver Pills. They are bound to be effective because they arouse the action of the kidneys, liver and bowels and thereby ensure the elimination of poisons from the system.
