# Bring Back Prosperity By Eating More Fish

PRINCE RUPERT PEOPLE URGED TO SUPPORT THE BIGGEST INDUS-TRY THE CITY HAS BY KEEPING EVERY FRIDAY A FISH DAY AND USING THE LOCAL PRODUCT OFTEN

Prince Rupert's biggest industry is fishing. A large section of the local people are engaged directly in the industry and all others depend on the success of the fishing to keep their businesses going or to provide their salaries. For that reason it is desirable that as much fish as possible be consumed locally.

Who can help in this? Nearly every person can do something.

FISH BUYERS AND WHOLESALE DEALERS can help by making fish easily accessible to local merchants at the lowest possible price consistent with the price paid to the fishermen.

LOCAL STORE KEEPERS can held by displaying fish in their windows periodically—at least once a week—and including fish in their advertising.

HOTELS AND RESTAURANTS can help by keeping local fish well to the fore in their daily menus.

ALL HOUSEHOLDERS can help by providing a fish meal as often as possible, at least twice a week and by insuring that it be cooked and served in the most appetizing manner possible.

CITIZENS WHO ARE NOT HOUSEHOLDERS can do their part by asking for fish whenever possible and making suggestions as to methods of cooking and serving.

If Prince people lead the way, others will follow. Every pound of fish consumed locally is a help to the fishing fleet on which the city depends.

Fish produced and marketed at Prince Rupert includes Halibut, Salmon, Cod. various varieties of Flat Fish, Crabs, Shrimps, Oolachan, Herring and Kippers.
