**PEOPLE DO NOT NEED TO GO OUT OF TOWN FOR UP TO DATE GLASSES**

Some people think they have to go out of town to get glasses, but these people are only fooling themselves. In fact, many come home wearing frames or mountings which were shown right here in Prince Rupert as up to date, two and three years ago.

If you need glasses there is no case "TOO HARD" to be fitted right here and you can depend on it that we will see that they are satisfactory and in case that you really do not require glasses Mr. G. F. Davey, Reg. Optometrist, in charge of the Optical Dept. of Max Hellbronner, Jeweler, will be pleased to tell you so.
