

The Man Who Threw Away LOVE

"Let me go," she cried. "I cannot marry you. I never should have promised."

A NOTHER romance ended—all because of 11 "B.O." Had he only been more careful! Only realized how important it is to guard against "B.O." - body odour.

Our pores are constantly giving off odourcausing waste—a quart daily. Yet we quickly become used to an ever-present odour and don't notice it in ourselves-don't realize how it may be annoying others. For of all unpleasant odours, the one most disliked is "B.O." in somebody else!

Don't risk offending

A hint of "B.O." may easily ruin our chances with the girl we love-the man we want to impress in business. Don't run this risk-ever. Keep pores clean and deodorized by frequent bathing with Lifebuoy. Its creamy, abundant, penetrating lather goes deep into the pores, purifies them of every trace of unpleasant odour-leaves you gloriously, satisfyingly CLEAN. Lifebuoy's pleasant, extra-clean scent -that vanishes as you rinse-tells you, "Here's an end to B.O. danger."

And remember too, harmful germs lurk on things we touch. Our finger prints leave them on food we eat and so they get into our system. Frequent washing in Lifebuoy's rich, antiseptic lather renders germs inactive - keeps

Watch complexions freshen

When complexions look dull and cloudy, it's generally because the skin is only halfcleansed. Get rid of pore-deep dirt and impurities with nightly Lifebuoy "facials". Work the pure, bland lather well into the pores; then rinse. See how quickly dull skins freshen and glow with clear healthy radiance.

"How do they do it?"

Among your friends there's sure to be at least one smart young married couple who are the envy and admiration of all who know them.

With an income that is frankly abbreviated, and with no benevolent Aunts in the offing, they still have a home that is correct and comfortable in all its appointments, a home that is admired and copied by their friends.

"Yes, Jane is a remarkable little manager," will probably be the young husband's proud answer. And there is little doubt about it.

THEY DO IT THIS WAY

Take a look around that home and you will find no end of well known advertised products. For Jane is an efficient little manager. She can't afford to take chances that must only be debited to "Experience." When she buys for her home she must get tried and tested and trusted products which carry an honorable name to guarantee her satisfaction.

You will find that Jane is a consistent reader of the advertisements. Are you?
