### Life Insurance Is In Certain Respects Unique

Other kinds of insurance provide for losses that MAY be sustained. Life Insurance provides for an inevitable loss.

The premiums on other kinds of insurance are an expense. The premiums on a life policy are payments on account of an asset; for at some time the policy must mature and be paid. Other kinds of insurance are expeditious; Life Insurance is essential.

A building may never burn, a ship may never sink, but ALL men must die.

At last night's council meeting a letter was read from W. E. Williams, of Borden street, complaining of the poor water pressure in his house. In a letter written to the council which was read at the meeting last night, John E. Unwin complained of the treatment he was getting as a returned soldier and an employee of the city. ### FIRE DEPARTMENT IS ALWAYS READY

Its Motto of Preparedness Should be Applied to Protection of Public Health.

"There hasn't been a fire in the city for months," said a citizen the other day. "It seems a waste of money to keep up a fire department that does nothing."

"We don't disband the fire department because we have a run of luck," replied a ratepayer. "It pays to have those firemen ready, whether they are doing anything or not." And the ratepayer spoke wisely.

A fire department is an illustration of the principle of preparedness. It's protection, pure and simple—something no modern city or town can do without.

Just as firemen stand ready to protect your property, so Grip Fix stands ready to protect your health. For over 10 years it has been an unexcelled treatment for colds. A box in the house means protection against the common and troublesome cold in the head and throat of an attack of the flu. It is a combination of drugs such as your physician would use and contains nothing of a harmful nature. In capsule form it is something which gives relief to a cold in a night and works quickly in a case of Grippe.

Get a box of Grip Fix today. Then you'll be prepared should a cold come. You can get it at 35 cents per box. On sale at all drug stores.
