RURDOCK OOD

Embarrassed By Pimples on Face

Mrs. O. J. Benson, Seal Cove, N.B., writes:-"I was in a very nervous, rundown condition, and not able to do my own work.

... My. face was covered with pimples which was very annoying and embarrassing to me at times. After taking three bottles of Burdock Blood Bitters I can do my own work, and the pimples have entirely disappeared."

It is with a situation like this developing that the Imperial Conference will be held next summer at Ottawa and numerous matters of interest to the British Commonwealth will then be discussed. It was in view of this meeting that the attempt of some British interests to import Russian timber in huge quantities was headed off and assurances given that much of the business would come to Canada.

PUBLICITY FOR CANADA

Every time a question such as the timber supply is discussed in England a good deal of publicity is given to Canada and her ability to supply British markets. The whole country is receptive to news and views in regard to Bri- always by far.
