Melvin Ott's Home Runs Helping Bill Terry's Boys

NEW YORK, June 11:- Due principally to the home run hitting feats of Melvin Ott, the New York Giants yesterday won their sixth game in eight starts since Bill Terry became manager, turning back the Cincinnati Reds 4 to 3.

For the second time in three games against the Reds, Ott on Thursday provided the winning runs by hitting two homers in a game and the pair of four baggers brought his total for the season up to eleven.
