BRIDGE PARTY AND DANCE AT RUPERT CLUB

Kindness of Club Members Makes Possible Delightful Social Event.

The Queen Mary Chapter, Daughters of the Empire Bridge and Dance held in the upstairs rooms of the Prince Rupert Club last night was a brilliant social as well as financial success. The rooms had been kindly donated by the members of the club for the occasion and there were about 25 tables of players. The progressive players used the large writing room in the front of the building while in the smaller rooms groups of two or three tables did not progress. The winners of the first prizes were H. S. Wallace and Mrs. J. C. McLennan while the second prizes were taken by Mr. and Mrs. Wakefield.

At 11 o'clock the bridge playing ceased and delightful refreshments were served in the various rooms.

After the supper the tables were cleared away from the large writing room and dancing commenced. The room was very comfortable and the floor in good condition for dancing and many of the guests took the opportunity. The remainder of the evening till nearly two o'clock was spent in this manner and when the final waltz was played the guests were reluctant to go.

The success of the affair was a credit to the ladies of the Queen Mary Chapter as they had worked indefatigably both before and during the evening to make it enjoyable and successful. Mrs. F. G. Dawson, regent of the Chapter, took an active part in the receiving of the guests and the supervision of the entertainment, and was assisted by Mesdames A. E. Bassett-Jones, McMoyle and L. W. Kergin as well as other members of the order.

The regular meeting of the local lodge of the International Steam and Operating Engineers will be held on Friday night in the Carpenters' Hall. Important business.

W. H. DERRY IS NEW SCHOOL JANITOR

Held Best Qualifications by the Decision of School Board and is Appointed.

Out of fifteen applications for the position of janitor at the Borden Street School the one of W. H. Derry was considered most favorably at the special meeting of the board last night and Mr. Derry was given the position. He is an ex-service man, having been in the navy and also holds a fourth class steam engineer's ticket which will give him full qualification to take charge of the heating system at the school. The appointment was made unanimously after all the other applications had been fully considered.

The following are the names of the other applicants: J. Howe, E. Maynard, P. N. Sibbald, John Munroe, Frank Derry, M. Blaaw, R. H. Sandy, Chas. Kramer, C. Christiansen, D. Gibb, G. Bakker and Arthur C. George.

ESSINGTON KIDDIES GIVE ENTERTAINMENT

On the evening of December 23 in the Methodist Church at Port Essington, the Indian children belonging to the school there gave a very interesting entertainment. G. A. Taylor, Esq., occupied the chair. The programme in the evening consisted of songs, choruses, and recitations, which were much enjoyed, and appreciated by a large audience of both the white and the native population. The able manner in which the children performed their various parts reflected much credit upon their training.

But the most attractive part of the evening to the children was the Christmas tree which was very prettily decorated and well loaded with suitable gifts for all who attend both day and Sunday school. Santa Claus himself appeared at the close of the entertainment when the fifty children each received a gift.

CONSTANCE TALMAGE AT THE WESTHOLME

One of the greatest screen favorites is the star in the photography to be screened at the Westholme Theatre this evening. Constance Talmage has won her way right to the front rank among screen artists. In "A Temperamental Wife" she is seen to great advantage and the play gives her scope for the display of her undoubted talents. Anyone who is what is called "temperamental" proves rather a difficult person to live with and in the play the display of temperament is something worth seeing.

There is also a Chester Outing "The Ghost Coast" and one of the inimitable Mack Sennet comedies entitled "Where is your husband?" These Mack Sennet comedies are a great attraction in themselves and are the last word in real comedy.
