

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from ill, which, upon examination, can be traced directly to defective eyesight.

The removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

SCHOOL BOARD ASKS FOR NEW SEWER LINE

Hays Cove School Will Necessitate Changes and Improvements

The School Board decided at its meeting last night to make two applications to the City Council for changes in connection with public utilities and the new Hays Cove School.

The board will ask the council to formulate some local improvement sewer scheme to provide for connection to the Hays Cove school and also the houses in the district adjacent which have not yet been connected up with the main sewerage system.

The board will also ask the City Council to remove the water main which now crosses through the centre of the site in line with Sixth Avenue.

FAST BASKETBALL GAME AT THE RINK

Single Men Proved too Much for Married Men in an Evenly Matched Game.

A good number of spectators turned out at the Auditorium last night to witness the holiday season extra basketball game which proved both evenly contested and fast. The Single Men, however, had the edge over the Married Men and won by the score of 24-18. The play was up to the standard set by the Senior League and gave lots of thrills to the crowd who did their part by giving the players every encouragement.

W. E. Willisroft acted as referee to the entire satisfaction of the contending teams.
