Life Insurance Is In Certain Respects Unique

Other kinds of insurance provide for losses that MAY be sustained. Life Insurance provides for an inevitable loss.

The premiums on other kinds of insurance are an expense. The premiums on a life policy are paynents on account of an asset; for at some time the policy must mature and be paid. Other kinds of insurance are expedient; Life Insurance

is essential. A building may never burn, a ship may never sink, but ALL men The Mutual Life Insurance Co. of
