City Council Decides to Make Appeal Direct to Premier of Canada on Unemployment Work

Appeals which have been made by the city to both the provincial and federal governments to have the original \$100,000 appropriation for unemployment relief work in the municipality restored have so far failed of any measure of success, it was revealed in various reports and correspondence which were tabled at the city council

meeting last night. Indeed a disgovernment to "pass the buck" to LONG TALK the other on the matter was to be seen. Appeals to other quarters having, so far at least, failed, the council decided to get in direct touch by wire on the matter with Premier R. B. Bennett, who is at Record Achievement Is Set Up For present holidaying in Calgary.
