BIG CLOCK

Village of Aiyansh on Naas River to Have Latest Thing in Timepieces

An interesting piece of Prince Rupert workmanship has been shipped north by John Bulger, Ltd., the jewellers. This is a big clock for the tower of the church in the Indian village of Aiyansh, away up the Naas River. When it is installed, Aiyansh will be the proud possessor and have the distinction of owning the largest clock dial in British Columbia outside of Victoria and Vancouver.

The dials of the clock measure three and a half feet in diameter. They will be illuminated at dark and protected by plate glass fronts. The atr work on these glass dials was done by Silversides Bros. while the woodwork and the clock case was made by J. L. Blain. Much of the mechanical work on the clock itself was made in the fully equipped workshop of, John Bulger Ltd. and the big timepiece is of similar construction to the street clock in front of Bulger's store on Third Avenue, the works of which were entirely made by Mr. Bulger.

be placed in the Community Hall at | Aiyansh. This, as well as the dials. on the tower of the church, will be controlled by a master clock, which will keep the time on all faces exactly alike. Mr. Bulger leaves on the Catala tomorrow on his way to Aiyansh to instal the clocks in their appointed places.

The natives of Aiyansh village put in an electric light plant several years ago for the use of their community, and in now making apparent to everyone the time of day and night, the people of Aiyansh will have no difficulty in knowing what's o'clock.

Gave Party On Her Birthday

Mrs. Agnes Dahl Invited Friends on Wednesday Night to Help Her Celebrate Anniversary

Mrs. Agnes Dahl, Fourth Avenue East, was the hostess at a delightful party on Wednesday night, the occasion being her birthday. Many old friends were present and a very enjoyable evening was spent in music and singing, delicious refreshments being also served. A number of presentations were made to the hostess.

Miss Jean Harrison, R.N., lady superintendent, reported at the meeting of the board of directors of the Prince Rupert General Hospital last evening that two members of her nursing saff were ill. The institution was fairly full of patients, Miss Harrison reported.

The Road To Progress

Prince Rupert will make progress if the people build up the hinterland. This week they have the opportunity to help themselves by helping the Bulkley Valley farmers. Bulkley Valley Baby Beef is on the market now. It is the choicest shipment ever made to the city and no one can make a mistake in purchasing it.

The carload arrived last week-end and has now been distributed. All the butchers in the city are carrying some of it.

Progress comes through co-operation. Today we have an opportunity to show that we are ready to co-operate with the farmers of the interior by specifying their beef when telephoning our orders. It is a simple matter but it means a great deal to the farmers.

There is no reason why British Columbia people should be fed on Alberta products when they have good things of their own produced right within their own boundaries. We have the friendliest feelings toward our sister province, but if we cannot use our own product we cannot expect others to use it. If it is good enough for export it should be good enough to use at home. By buying at home we encourage our own people, making them so prosperous that they are able to buy from us. The dollar spent on Bulkley Beef is likely to return but the dollar expended on Alberta beef is likely to remain on the other side of the Rocky Mountains. The motto then should be:

BUY BULKLEY BEEF AND THUS BUILD UP BULKLEY VALLEY FARMS
