Here are some of the many things vou can do with ST. CHARLES!

XXXE have recently prepared a beautifully illustrated 80-page Recipe Book. It gives a wealth of new practical and economical recipes for soups, cakes, salads, puddings, ice creams, pastries, candies, etc. It explains how you can quickly improve the flavor of your cooking and incidentally offer your family many entirely new recipes that they will enjoy.

Borden's St. Charles Evaporated Milk is rich country milk with nothing but 60% of the moisture removed. Every drop of cream and goodness is saved, giving you a wonderful cooking ally in a handy, hygienic and economical form.

> Fill in the attached coupon and we shall be glad to send you a copy of the "Good Provider's Cook Book" by return

STEWART, Jan. 21:-Bylaws recently passed by the board of village commissioners include one giving the Portland Canal Telephone & Telegraph Co. and the Stewart Public Utilities Co. permission to Malkin's Best Teacarry on telephone business here for another year and a second givdel McKay entertained at teal ing an extension of time for electric day at her home on Richelieu light service to the Northern British Columbia Power Co.

Shows Deficit

SMITHERS, Jan. 21:- The complete financial statement of the Smithers Fall Fair, which has been temporarily held up pending the receipt of outstanding accounts, wil show a deficit, according to the board of management. The board places blame for the loss on adverse weather conditions during the Fair, an exceptionally heavy prize list and small number of membership subscriptions received.

oadings on the Canadian National Railways during 1931, in comparison with the 1930 perforery month except July, August and held in Moose Hall Friday, Febru- year there is an increase of 3,811 cars with 108,969 cars handled in 1931 compared with 105,170 cars handled during 1930. When the 1931 crop began to move, it made rapid headway and, in October, 21,533 cars were loaded as compared with the 12,847 cars loaded in October, 1930. November too, showed splendid increase of almost 3,000

At the year-end, there were 35,-892,000 bushels in storage at country points along the Canadian National lines as compared with 31. 982,000 bushels the previous year. Storage at the Canadian Lakehead was 47,970,000 bushels in elevators accessible to the Canadian National Railways, while, in the previous year, the figure was 49,257,000 60c bushels. Arrivals at the Lakehead totalled 80,889 cars as against 80, 052 cars in 1930 and the unload-40C ings amounted to 83,472 cars and

81,305 cars respectively. The movement of grain to the Pacific Coast was particularly good Split Peas-Malkin's Best Apricots—2's 45c in 1931. A total of 22,369 cars were 4 lbs. delivered in Vancouver, New West- Saanich Clams-Whole, No. 900 of minster and Victoria in comparison to the 18,015 cars delivered during 30c the previous twelve months. At Prince Rupert arrivals were 938 cars in 1931 and 118 cars in 1930. Although there was no elevator construction at Lakehead or tide-850 water terminals during the year, 27 additional elevators were built at 35¢ country points on new branch lines of the Canadian National Railways. 100 Their construction increased the storage capacity of country elevaloc tors by 874,000 bushels and raised the total storage capacity of coun-200 try elevators to 88,335,000 bushels. A total of 4.853 cars of grain were 95c delivered to the Canadian National Railways by the Northern Alberta 25c Railways during the year as compared to the 3,493 cars delivere
