

Prince Rupert Ladies Will be Interested in the

Capitol Baby Shoppe Opening

in the Capitol Theatre Block, TOMORROW, APRIL 1

Parents like their children to be well dressed, especially in the spring. All our goods are the best of their kind and right up to the minute. We have no old stock.

Prince Rupert ladies are invited to come in and look over our goods and consult us in regard to their needs. Bring the little folks along and we will fit them out. If there's anything we do not carry we can easily get it.

"How do they do it?"

Among your friends there's sure to be at least one smart young married couple who are the envy and admiration of all who know them.

With an income that is frankly abbreviated, and with no benevolent Aunts in the offing, they still have a home that is correct and comfortable in all its appointments, a home that is admired and copied by their friends.

"Yes, Jane is a remarkable little manager," will probably be the young husband's proud answer. And there is little doubt about it.

THEY DO IT THIS WAY

Take a look around that home and you will find no end of well known advertised products. For Jane is an efficient little manager. She can't afford to take chances that must only be debited to "Experience." When she buys for her home she must get tried and tested and trusted products which carry an honorable name to guarantee her satisfaction.

You will find that Jane is a consistent reader of the advertisements. Are you?
