The Vital Concern of Every Mother

GREAT care should be exercised to make sure that children do not outgrow their strength; that they grow normally and regularly, body, mind, and muscle developing at the same rate. Growing children need more nourishment than ordinary food supplies. Give your kiddies Ovaltine. It is delicious and supplies in concentrated, correctly balanced and easily digested form, all the nourishing elements essential for healthy growth. Children enjoy Ovaltine between meals as well as at them. This wonderful food of Nature makes their glass of milk more palatable, more nourishing and much more digestible. Ovaltine builds sturdy bodies, sound nerves and alert minds.

‘OVALTINE’

TONIC FOOD BEVERAGE
Builds-up Brain, Nerve and Body

Sold at all good stores, in 50c, 75c, \$1.25 and special \$4.50 family size tins; also served at soda fountains.

A. WANDER LIMITED, London, England, and Peterborough, Canada 308

Cheapest Way of Reaching the People

The cheapest way of reaching practically all the people of Prince Rupert and district is by means of the classified columns of the Daily News.

Nearly everyone has something they could turn into cash through the "For Sale" column. Perhaps they have a house to rent. Here is the chance. Spend 50c on a classified advertisement and secure a tenant rather than have it idle.

If a girl wishes a position or a housewife wishes help, the best means of getting supplied is through a want ad.

Dressmakers sometimes want work; small storekeepers want to move their goods; or maybe you need an article that has been used rather than pay the price for new. Give the Daily News classified columns a trial. Many have been very pleased at the result.

Encouraging Reports in All Departments of Church Work

The annual congregational meeting of First Presbyterian Church was held Monday evening. The Minister and Moderator of Session, Rev. W. D. Grant Hollingworth, B. A., presided over a large attendance of members and adherents of the church.

After a brief devotional service conducted by Mr. Hollingworth, the various departments of the church presented reports which showed that during the past year the church made splendid progress in everyone of its spheres of activity.

The Moderator of Session, Rev. W. D. G. Hollingworth, reviewed the work of the past year and reported that there had been a splendid spirit in every department of church life. Enthusiasm, harmony and progress had characterized every organization in its work; in the number joining the church, in the number sitting at the Lord's table. In fact, judging from all outward appearances, it would appear that the year 1931 was a good year in the history of the church, and the church as a community force is being more and more felt. By faithful and loyal co-operation between minister and people the Kingdom of God should advance another step in this community.

Vital Religion

W. W. C. O'Neill, in presenting the report of the Session, stated that this had been one of the most encouraging years in the history of the congregation. Constructive accomplishment and advancement in all departments of the congregational work had taken place. Since the induction of Mr. Hollingworth, ten months ago, the Session was pleased to report that there had been a true revival of vital religion in the congregation. The services at the Sunday morning and evening services had steadily and consistently increased. New organizations for young people and for men and women had been started and were fulfilling a work which the congregation had for a long time needed. New life and vigor had been instilled into the older organizations and there was progress all along the line. These achievements were significant and augured well for the future.

The Session acknowledged its indebtedness to all who had contributed to the effectiveness of the church services during the year. To the pastor for his inspiring messages and faithful devotion to his congregation, to J. E. Davey and members of the senior and junior choirs who had given so much of their time and talent to the musical part of worship, to Mrs. J. W. McKinley for faithfulness in decorating the church with such good taste each week, to the Women's Auxiliary for their faithful services and for the generous gift of a beautiful Communion Table.

E. J. Smith presented the report of the Board of Managers. The board had held ten regular and one special meeting with an average attendance of ten members. This report also showed that there had been a renewed spirit of optimism and enthusiasm in the congregation which spoke well for the future.

The treasurer's report on the financial condition of the church, presented by A. McKenzie, was quite favorable considering the pressure of the present economic depression. Receipts for the year actually showed an increase over the previous year. From this report it is evident that with the continued co-operation of every church department and the loyal support of all members and adherents, the outlook for the future, as far as finance is concerned, will be very bright indeed.

Mrs. W. L. Sandison and Mrs. J. G. Steen, presented reports from the Women's Auxiliary. The various activities of this organization resulted in a very handsome sum being given to the financial board of the church. During the year ten regular meetings were held. Mrs. D. C. Stuart presided at every one, giving perfect attendance.

Reports from the Women's Missionary Society were presented by Mrs. James Clark and Mrs. D. C. Stuart, and a report from the Mission Band was submitted by Miss Beulah McKinley. J. E. Davey reported on behalf of the choir and B. Ferguson on behalf of the Boy Scouts. Interesting reports from the

Sunday School were submitted by Robert Cameron and E. J. Smith. There were at present a staff of 18 teachers and officers with an average attendance of 145 scholars. At the Christmas entertainment over 100 prizes were awarded. This spoke well for the regularity of the children. Mrs. A. C. Clark presented a most interesting report outlining her work as superintendent of the Cradle Roll Department of the Sunday School. Birthday cards had been delivered personally to the children on the roll of this department.

Miss Jean Ritchie reported very encouragingly on the work carried on by the Canadian Girls in Training, under the leadership of Mrs. Ham. Thirty-two meetings had been held during the year with an average attendance of 17 girls. Miss Edith Kergin reported on the recently organized Young People's Bible Class, which is held every Sunday morning under the direction of the minister, S. J. Hunter. Submitted reports from the Young People's Society which holds meetings twice a month. These meetings are in turn: social, religious, educational and missionary. Great interest had been taken in this society by the young people and it certainly had filled a long felt want. Very encouraging reports were submitted on behalf of the Men's Recreation Club by Jas. Simpson and on behalf of the Women's Recreation Club by Mrs. R. Davie. Both these organizations have been recently organized, and both extend a cordial invitation to anyone who wishes to spend an evening each week in clean and healthful sport.

A special vote of thanks was accorded to the Women's Auxiliary for its splendid work and assistance. Thanks were also voted to all officers and workers whose united efforts had made the past year's work so successful.

At the close of the meeting refreshments were served by the members of the Women's Auxiliary and a pleasant hour was spent in conversation.

Members of the ladies' party who accompanied their husbands from Ketchikan to attend the opening of the new Masonic Temple here last night, were entertained yesterday afternoon and last evening by local members of the Order of the Eastern Star. The ladies from Ketchikan who arrived from the north on the Norco yesterday morning, will return home on the Princess Mary this afternoon.
