Are you handi-capped at the office?

To put in a full day's work, you need a full man's strength. A man, half-sick from constipation, has less chance to succeed in today's keen competition.

This insidious condition often causes headaches, loss of energy, sleeplessness. It takes the edge from your working hours.

Laboratory tests show Kellogg's ALL-BRAN supplies "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. ALL-BRAN also has iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it becomes a soft mass, which gently clears the intestines of wastes. How much better than using pills and drugs—so often harmful.

Two tablespoonfuls daily will correct most types of constipation. ALL-BRAN is not habit-forming. If your intestinal trouble is not relieved this way, see your doctor.

At all grocers. In the red-and-green package. Made by Kellogg in London, Ontario.

TEA AND SALE AT SEAL COVE

A successful tea and sale of home cooking and fancy work was held yesterday afternoon by the Woman's Auxiliary of St. Peter's Anglican Church in the Seal Cove Parish Hall.

The hall was nicely decorated for the occasion with spring flowers and foliage and many ladies called during the afternoon to lend their patronage to the affair.

The affair was opened by Canon W. F. Rushbrook who, after prayer, made a few remarks appropriate to the occasion.

Mrs. G. A. Kelsey was general convener with the following ladies assisting:

Tea Room—Mrs. F. W. Stamp-Vincent (convener) assisted by Mrs. D. Sievert and Mrs. A. Hill-Tout; Mrs. W. H. Goodsell and Mrs. H. B. Eastman, pouring.

Home Cooking—Mrs. W. V. Tattersal and Mrs. C. J. Norrington. Fancy Work—Mrs. S. E. Sunbury and Mrs. W. O. Vigar.

Cashier—Mrs. A. Frebourg.

UNIQUE PICTURE

"The Viking" Is Thrilling Film Actually Produced in Arctic —Bob Bartlett Seen

"The Viking" is the much-discussed feature picture this week-end on the screen of the Capitol Theatre here. The Arctic scenes in "The Viking" were taken on the ill-fated expedition of the spring of 1931 when the producer, Varick Frissell, and 25 others lost their lives when the sealing ship Viking, after which the picture is named, was destroyed by an explosion off the coast of Newfoundland. At the time of the disaster, the company was making a few final ice shots to complete the picture. The authenticity of the scenes and the sound recording, the first ever to be made in the Arctic, is unquestioned and adds immeasurably to the realism and entertainment value of the picture. The production, besides presenting a thrilling story, has unusual educational value and is distinctly unique.

The rivalry of two Newfoundland sealers for the love of a girl provides a tensely dramatic story that is enacted against the bleak backgrounds of the Labrador ice-fields which are showing in all their vast grandeur. An excellent cast of Broadway players enacts the story. The world-famous sealing skipper, Capt. Robert Bartlett, well known in Prince Rupert through visits here a few years ago in command of his auxiliary schooner Effie Morrissey in the course of a scientific expedition to the Aleutian Islands and Behring Sea, figures prominently in the picture, thus giving it a distinct touch of local interest.

A thrilling mystery picture "The Secret Witness," starring Una Merkel, William Collier jr., Zasu Pitts and Purnell Pratt makes an excellent companion picture for "The Viking" on a special week-end double bill.

Miss Frances Cross sailed last night on the Prince George for a holiday trip to Vancouver and Victoria.
