

# Compare the freshness

THE minute you open a package of Kellogg's, you can tell that here are really fresh corn flakes. That delicious aroma is unmistakable.

And just compare the flavor and crispness. Did you ever taste any corn flakes so good?

Kellogg's always reach you oven-fresh and flavor-perfect. The flakes are protected by an inside WAXTITE bag which is sealed. A patented Kellogg feature.

Unconditionally guaranteed by W. K. Kellogg: "If you don't think Kellogg's the finest corn flakes you ever ate, return the empty redand-green package and we will refund your money." Insist on genuine Kellogg's. Made by Kellogg in London, Ontario. Substitutes are seldom offered in a spirit of service.
