This development came on the heels of a meeting between Premier Eduoard Herriot of France and Mr. Gibson at Morges last midnight.

Reports were widespread that United States was formulating a decision to cancel war debts if the European nations fell in line with her disarmament proposals but there was no foundation for this behis country has reached the "turn- lief. There was some ground, however, for belief that the United States has indicated her willingness to re-open the war debts question if Europe agrees with her disarmament proposals. Yet Premier Herriot and Mr. Gibson, so far as could be learned, had made no pro-

Canada Must Give as Well as Get Markets, Regina Meeting Says

Many Matters of Importance to This Part of Canada Discussed at Gathering of B. C., Alberta, Saskatchewan and Manitoba Representatives

REGINA, June 21:-If a market for Canadian products is to be secured at the forthcoming Imperial economic conference at Ottawa, a market for products of other parts of the Empire must be opened in Canada. This is one of the conclusions reached by a conference of western governments meeting here to discuss submissions from the west to the Imperial gathering.

Discussions at the conference covered stabilized currency, the live GUILTY OF cattle industry, the dairy and bacon industries, the establishment of a permanent inter-Empire board and the lumbering industry.

The conference was attended by Premier S. F. Tolmie of British Columbia. Premier J. H. Brownlee of NEWARK, N.J., June 21:-Col. Alberta, Premier J. T. M. Anderson
